

WASEELA SAHIN P

6382657341 | sahinpeer@gmail.com | Madurai, Tamil Nadu

Summary

Final-year AI & Data Science undergraduate with hands-on experience in Python programming, generative AI/LLM tools, and data-driven automation. Skilled at building applications that streamline workflows and surface insights from data, with a strong learning mindset and the ability to translate technical work into clear presentations for non-technical stakeholders.

Education

Bachelor of Technology, Artificial Intelligence & Data Science Nov 2023 – Present
Dhanalakshmi Srinivasan University

HSC 2022 – 2023
Velammal Vidyalaya

Skills

Programming & AI: Python, Machine Learning, Generative AI, Large Language Models, OOPS

Data & Automation Tools: MS Excel, DBMS, MS PowerPoint, MS Word

Design: Logo Creation, Poster Designing, Video Editing

Core Competencies: Problem Solving, Crisis Management, Creative Thinking, Communication, Presentation, Teamwork, Adaptability to Change, Leadership

Projects

- **FlowTrace** – Built a signup-detection application in Python, applying rule-based logic to automatically flag and track anomalous activity, improving traceability of user actions across the workflow.
- **DataMining Application** – Automated the data mining process using the Apriori algorithm and other pattern-detection algorithms, reducing manual effort in extracting actionable insights from raw datasets.
- **Smart Route Navigator** – Developed a navigation tool applying algorithmic decision logic to optimize route selection.

Leadership and Activities

- Research and Development, Velammal Vidyalaya
- Core Member, Cyber Security Club – Dhanalakshmi Srinivasan University
- Student Development Community Member – Dhanalakshmi Srinivasan University

Certifications

- Develop GenAI Apps with Gemini and Streamlit – Skill Badge, Issued by Google, September 2024
- Inspect Rich Documents with Gemini Multimodality and Multimodal RAG – Skill Badge, Issued by Google, September 2024
- Prompt Design in Vertex AI – Skill Badge, Issued by Google, September 2024
- TATA – Data Visualisation: Empowering Business with Effective Insights, Job Simulation
- Deloitte – Data Analytics Job Simulation

Languages

English (Fluent), Tamil (Native)
